Business Connect is a dedicated and personalised NSW Government program that provides trusted advice to help you start or grow your business.

Seeking business advice

The reforms to the NSW point to point industry have changed the way your business can operate.

Business Connect has dedicated point to point advisors, workshops and events to provide you with the business advice and information you need to adapt to transport industry reforms.

How Business Connect can help

An advisor can visit you and help to:

- adapt your business to the new market conditions
- develop your future business strategy
- market your business to be more competitive
- attract and keep drivers
- source information about the new regulations and financial assistance available
- attend a point to point workshop or seminar.
